1. Complete Practice Management

■ Client Portal

Branded, secure portal for clients to upload documents, track matters, receive invoices, and

message your team — no WhatsApp needed.

■ Document Hub

Centralised file management with categories, client filtering, and one-click download. Up to 100GB

storage.

■ Smart Invoicing

Professional invoices with SST 8% auto-calculation, Stripe online payment, and MyInvois-ready fields.

■ Matter Tracking

Full lifecycle from engagement to closure. Priority flags, deadline alerts, staff assignment, and status

badges.

■ Secure Messaging

Professional in-platform messaging between firm and clients. Full history, read receipts, real-time

updates.

■ MyInvois Ready

Full LHDN e-invoicing field capture, submission workflow, and validation status tracking built in.

2. SME Success Hub — What Makes Us Different

Transform the accountant-client relationship from a transactional obligation into a genuine business partnership.

● Business Vital Signs

Real-time health dashboard showing Cash Flow, Tax Compliance, SST Filing, and Active Matters status — colour-coded for instant clarity.

● Accountant's Monthly Insight

Your accountant sends personalised business advice directly to your dashboard. Expert guidance, delivered proactively.

● Regulatory Alert Centre

Stay ahead of LHDN MyInvois, SST changes, EPF updates, and tax deadlines — curated alerts specific to your business.

● Annual Business Review

Auto-generated yearly performance summary: matters completed, compliance score, documents exchanged.

● Success Milestones

Your accountant celebrates your business anniversaries and achievements — because your success is their success.

● Ask My Accountant (AI)

Submit questions anytime. Our AI drafts an answer instantly; your accountant reviews and sends. Expert answers in minutes.
